Objective

Enthusiastic and highly motivated BCA graduate with a strong foundation in web technologies and programming languages. I am seeking an entry-level front-end developer position to leverage my skills in creating responsive and user-friendly web applications while contributing to the growth of a dynamic organisation.

Education

- Bachelor of Computer Applications (BCA)
- SNPV, Raigarh, C.G.
- Graduated: May 2023
- Relevant Coursework: Data Structures, Database Management Systems, Web Development, Software Engineering, Operating Systems

Technical Skills

- Programming Languages: JavaScript, HTML, CSS, C, C++, Python
- Web Technologies: React.js, Angular, Node.js, jQuery, PHP
- Database Management: MySQL, PostgreSQL
- Software Development Tools: Git, Visual Studio Code, Eclipse, NetBeans, Docker, Jenkins
- Operating Systems: Windows, Linux, macOS
- Office Tools: Microsoft Office (Word, Excel, PowerPoint, Outlook)

Projects

Online Bookstore Management System

- Developed a web-based application to manage bookstore operations, including inventory, sales, and customer management using HTML, CSS, JavaScript, and MySQL.
- Implemented secure user authentication and role-based access control, enhancing system security and user experience.

Personal Portfolio Website

- Created a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase my projects and skills.
- Integrated the contact form with a backend PHP script for email notifications, facilitating easy communication with visitors.

Library Management System

- Designed and developed a desktop application for managing library resources using Java and MySQL.

- Implemented features such as book issue/return tracking, user management, and reporting, streamlining library operations and resource management.

Languages

- English (Fluent)
- Hindi (Fluent)
- Chhattisgarhi (Fluent)
